Company Presentation

---

Headquartered in **Hamburg**, **Jefferson** is a forward-looking company with international reach and a **subsidiary with offices in Asia**.

We develop and manufacture products for nearly every retail sector, applying the highest **social**, **ecological** and **technical** standards.

Our product portfolio covers the full range of textiles:

- Ladies' outerwear
- Menswear
- Children's clothes
- Underwear/sleepwear
- Sportswear and functional clothing
- Workwear and safety garments
- **Home textiles**
  - Linen
  - Towelling
  - Bathrobes

Our portfolio also includes small furniture items, garden furniture and bags.

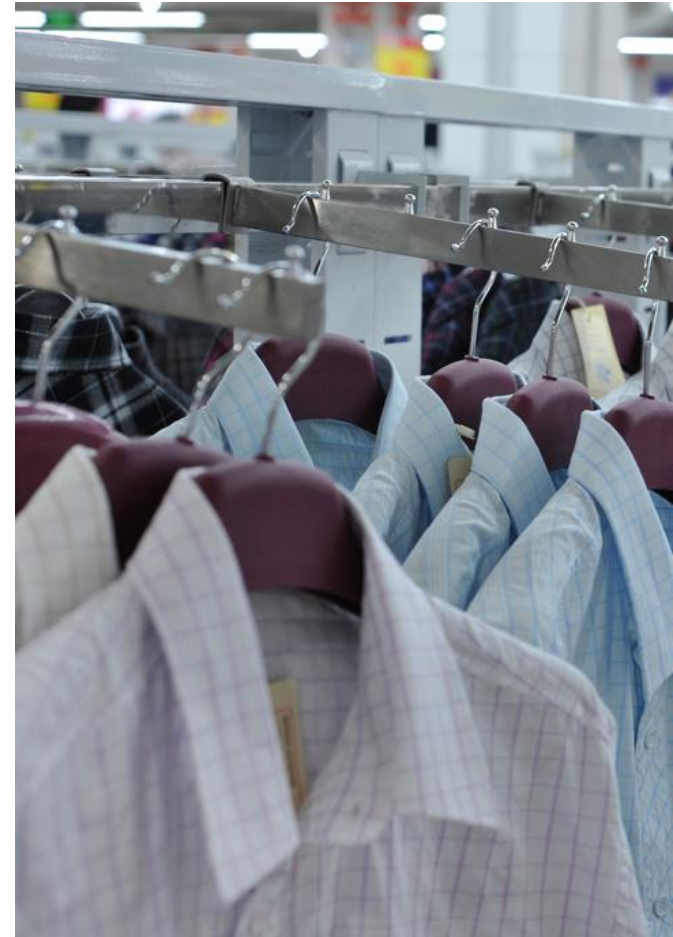

Central to our corporate philosophy is a commitment to maintaining and continuously improving our **strict quality standards**, while offering fashionable products combined with **excellent value for money**.

To ensure that we keep our promise, **Jefferson** deploys a quality management system built on years of experience and **exceptional expertise**.

Alongside continuous self-testing, our products undergo **regular** inspection by **independent** specialist laboratories.

Our **Asian subsidiary** makes an important contribution to fulfilling our corporate philosophy. Long experience of the Asian markets enables us to combine attractive prices with reliable, highly capable suppliers.

To guarantee the quality of our products, we use superior materials that have undergone **Eco-Tex Standard 100** testing.

To ensure lasting quality, Jefferson is **GOTS** certified and works with renowned quality institutions like **HanseControl**, **Bureau Veritas** or **TÜV**.

**Jefferson** is a member of the **Business Social Compliance Initiative**, this initiative of the Foreign Trade Association monitors the social standards of our manufacturers, and ensures the international core labor standards (no Child labor, high safety, etc.) be met.

We seek to provide customers with a **complete service**. That means covering **the entire** production process, from initial idea to finished product.

Our products and services in brief:

- We have our own design and development department.
- We use the latest CAD/CAM technology.
- Our quality assurance is carried out by our own experts on the production line.
- We carry out our own quality checks in addition to tests performed in specialist independent laboratories.
- We develop and create packaging and displays in line with retail requirements.
- We have a modern logistics centre with up to 4,000 pallet bays.
- We handle transport logistics from end to end.

Our aim is to leverage our **expertise and experience** to provide customers with the best possible support for implementing their ideas and requirements.

## Cotton made in Africa

“Cotton made in Africa” is a social business initiative aimed at supporting sustainable development and improving the living conditions of African cotton farmers. It also provides an opportunity for international companies to successfully integrate African cotton into their product development and marketing strategies on a commercially viable basis.

- Aid by Trade is a foundation whose long-term objective is to help African cotton farmers help themselves.
- The initiative and the process is supported and overseen by many international organisations.
- Established in 2005, “Cotton made in Africa” is today used by numerous global textile companies
- Jefferson GmbH participates in “Cotton made in Africa” via customer projects.

## Ladies' Fashion

From sporty to formal elegance, our ladies' fashion range is designed to suit every type and occasion.

Our rigorous quality standards are reflected in attractive fabrics, stylish colours and contemporary design.

## Men's Fashion

Our menswear covers every base, from casual to classic.

Carefully selected fabrics and timeless design are teamed with a quality finish on all these office and leisure wear items.

## Children's Fashions

Practical, hard-wearing and featuring clever details, our children's collection is a winner with both parents and children alike.

Designed for every age group and every occasion, we take great care to ensure that our children's designs keep the little ones happy.

## Fine Underwear/Sleepwear

Fine fabrics and sophisticated styling give our underwear its special appeal.

Our underwear and sleepwear for him and her combines maximum comfort with the finest fabrics. Where possible, we manufacture our products according to Eco-Tex Standard 100.

## **Sports & Outdoor**

Jefferson develops and manufactures all kinds of sports and outdoor clothing.

We combine functional efficiency with comfort and attractive design across every sport and activity – whether trekking, skiing, jogging or working out. Our sports & outdoor collections are manufactured using state-of-the-art materials and the highest standards.

## **Workwear & Protection**

Work clothes need to satisfy a wide range of demands.

Comfortable and stylish, our robust, functional workwear also offers superb value for money.

Your safety is our priority! We design protective clothing for work and leisure based on the highest international quality and safety standards.

## Bags

Innovative design and a host of practical details make our bags and rucksacks ideal for school, sport and leisure.

With their sturdy materials, superb finishing and contemporary colours, our bags soon become favourite companions.

## Home Textiles

Our home textiles create a homely, stylish ambience.

Underline your own style and personality with table linen, bed linen, cushions and many other home textiles that range from classically elegant to young and fresh.
